

### DEFT ART

Ever wondered about the thought that goes behind the colourful *filmi* posters that our eyes catch on hoardings? Ask Simrit Brar. She is the only woman publicity and poster designer in Bollywood. A graduate from the National School of Design (NSD), Brar has created the posters of path-breaking films 'Lagaan', 'Dil Chahta Hai', 'Fiza', 'Astitva', 'Khwahish' etc.

And been responsible in her own quiet way for their success.
