BEST PUBLICITY DESIGN

And the award goes to...
Simrit Brar & Glamour Design Studio (Aks)

The creativity was of course mine, but without the vision of the director and producer, the design would not have taken the final shape it did. Did I expect to win it? Well, at the end of the year, there was a feeling, deep down, that I just might win it. So in a way, I did.

LIFETIME ACHIEVEMENT AWARD

And the award goes to...
SHAMMI KAPOOR

It's been a long journey, a wonderful journey that's taken me 50 years to get this far. I'd like to thank all my co-workers and associates over the years, my fans who've made me what I am and most of all, my family and elders, some of whom are still alive and the others who're up there who love me still.

ASIAN PAINTS JODI NO 1

SHAH RUKH KHAN

It's a great honour to collect this award from the hands of Rishi and Neetu Kapoor. Working with Kajol is always fun, though she tends to scream and shout a great deal, and has quite a reputation for misbehaving on the sets, and for being a wonderful co-star.
